Wheat Pool Payment

WHEAT POOL MAKE SECOND PAYMENT OF THIRTY-FIVE CENTS PER BUSHEL

The eagerly awaited announcement regarding the second interim payment to be made by the Wheat Pool of Alberta, Saskatchewan, and Manitoba. This payment will amount to between \$12,000,000 to \$15,000,000 to pool farmers in Alberta, and will be on a basis of 35c per bushel.

This was the official statement of H. W. Wood, chairman of the board of trustees of the Alberta Wheat Pool on Monday. He stated that the start would be made in sending out the cheques on Monday.

Mr. Wood, in reply to a question, declined to say what the represented in the aggregate. "This is a matter which concerns the pool farmers themselves," he said. "The only thing I can say is that an interim payment of 35 cents is being made."

Earlier Payment
This interim payment, which is the second on the 1924 crop, is being made about a fortnight earlier than was the case last year.

The payment of 35 cents is regarded as highly satisfactory, and is more than was expected as a second payment. The final payment will probably be made in July. Pool farmers have this received to date \$1.35 per bushel for their No. 1 wheat, and for grades proportionately. While an interim payment it is almost equal to the payment received by many farmers who sold direct for cash early in the season.

It is understood the wheat pools still have about seven or eight million bushels of wheat to sell, though this is not all top grade, and the chief selling agent, D. L. Smith, has been in England, France and Germany arranging for direct selling connections between Winnipeg and agents in the old country.

Spring Horse Sale

Nearly two hundred head of the best horses in the district have been entered for Strathmore's Spring Horse Sale, to be held in the stockyards in Monday, March 9th, next.

Enquiries are coming in to the secretary daily from prospective buyers, and, given good weather conditions, the sale should be the most successful ever held here.

Those who have entered their stock should find the market they were looking for, and if the same support can be obtained the sale will be made an annual event. This will encourage the breeding of good horses locally, and will mean some additional revenue for the farmer.

Mr. A. Layzell will conduct the sale, and we hear that he will be in exceptionally good form that day. He would like to draw the attention of local buyers to the registered stock offered, and as he has seen these animals himself, he advises those who want something above the average to get them.

Local buyers of good horses will find what they want at this sale, and they are assured of seeing the best collection of horses ever put up for auction in one day at Strathmore.

Full information about the sale can be obtained from Mr. F. J. Dunn, secretary, Strathmore, phones 95 and 98.

Why Is It --

M. D. Keoma Meeting

The annual ratemakers' meeting for the Municipal District of Keoma, was held in the Council Hall on February 21st, 1925, at 1 p.m. A full representation of ratemakers were in attendance considering the inclemency of the weather. The following members of the Council were present: Reeve Senatch, and Councillors Messrs McLean, Jenkins, Rasmussen, and Petro.

Owing to the absence of Returning Officer I. C. Stonaker, it was necessary for the Council to meet and appoint Mr. Lawrence W. Pomeroy to officiate as Returning Officer. After Mr. Pomeroy took the oath of Office he called the meeting to order and asked for the appointment of a Chairman, whereupon Mr. A. McLean, Jr., was elected to preside on motion of the Reeve.

Good Financial Statement
The secretary-treasurer, Mr. Frank J. Ewing, distributed copies of the 1924 Financial Auditor's Statement, and spoke on the year's operations, dealing with tax collections, Tax Recovery Act, the bank and financial phases dealt on particular explanatory items from the audit sheet, and reviewed the quinquennial assessment made during the year. He brought to the attention of the meeting that Keoma ranks high in the provincial ranks as a municipality having stood fourth place in collection of taxes in the last report of the Department of Municipal Affairs. At the close of 1924 the municipality did not owe the bank a dollar, and had paid the Dept. of Municipal Affairs in full on collections as well as the full Insurance Board in this respect. Speaking particularly of the school board, he stated reference was made to the system of charging the schools with the interest on their respective payments in excess of collections which had worked out satisfactorily, having been just sufficient to cover the interest on the school bonds during the year. The method of making the assessment was reviewed, stating that the new assessment is not effective until 1926, that approximately 2000 acres of C.P.R. land had been assessed, part of which would be taxable in 1925; and showed wherein the Council were endeavoring to keep our total assessment as nearly to a fair average in proportion with the other districts, as possible, and anticipated a struggle with the Equalization Board in maintaining our recent 30% reduction. He concluded by explaining some particular items asked by interested parties present from the financial statement, and thanking the ratemakers and council for their amicable relationship during the year.

Reeve's Report
The Reeve was next called upon to give his report, and the meeting was given a treat in the comprehensive summary that Mr. Senatch, secretary of the year's activities. He dealt particularly with his own division, giving a summary of the work he had achieved as a councillor of that division in public works first; then the general outline of the council's policy regarding public works, where he reviewed the progress of the department of public works, and of his visits to personally interview the deputy minister in regard to bridges and market roads, and stated that arrangements had been completed to grant Keoma 53 miles of market roads for 1925, 50% of which was to be built by the province. He commended the committees in the efficient manner which they had functioned, and hoped for still greater efficiency for this plan of systematizing the municipal work. He recommended (Continued on another page.)

Wedding

ALLAN — LILIEDAHL.

The home of Mr. and Mrs. Liliedahl was the scene of a very pretty wedding Saturday evening, February 21, when their daughter, Maria Lilie, became the bride of Archibald Russell Allan, of Venice, California, and son of Mr. and Mrs. James Allan, of Carlsbad. The ceremony took place in the living room, which was artistically decorated with water and flowers. To the strains of the wedding march from "Lohengrin" rendered by Miss Sanna King, of Carlsbad, the bride entered the room on the arm of her father, who gave her in marriage. Rev. T. H. Lonsdale, of Carlsbad, officiated. The bride wore a dainty dress, hand tailored, of mauve georgette over satin, made with sleeveless plain bodice, and circular skirt. Her shower bouquet was of Ophelia roses. Her twin sister, Miss Miriam Liliedahl, who acted as bridesmaid, was becomingly gowned in king's blue tulle. Mr. Donald Giffen, of Los Angeles, son of Dr. Giffen, of Strathmore, was best man. Master Peter Liliedahl acted as ring-bearer, presenting the ring held in the heart of a rosette easter. During the signing of the register, Miss Miriam Liliedahl sang "At Dawning."

Following the ceremony a reception was held, and later a buffet lunch was served. Mr. and Mrs. Allan, afterwards left en route for Venice, and will visit the various coast states. The bride travelled in an ensemble costume, of brick coloured husha cloth, opening over a hand-bagged dress of Alice blue silk.

Some of the Yule people attended the opening dance in the new hall in standard on February 20th. They reported an enjoyable time.

Farewell to Mr. and Mrs. W. G. Way

Every available chair in the basement of the Union Church was occupied on Friday last, when a social evening in honor of Mr. and Mrs. W. G. Way, who left yesterday for the East, was held. First of all a champagne supper was served by the members of the Ladies Aid.

Following that the orchestra played several selections. On behalf of the members of the congregation and friends, Mr. A. B. Shrimmon presented Mr. and Mrs. Way with a handsome set of Adams period silver cutlery, accompanied by a testimonial signed by the church members present.

In replying, Mr. Way spoke of the wrench it was for him and Mrs. Way to leave Strathmore, where he had lived for so many years, and to separate themselves from the work of the church. He had enjoyed his work as church superintendent, and he wished the church continued and prospered in the future.

Rev. A. H. Rowe spoke briefly, regretting the loss the community and the church were sustaining in the departure of their guests at the departure of Mr. and Mrs. Way, and at the same time interlarded their remarks by several humorous references to earlier days in the town.

Dr. A. W. Girvin and Mr. John Mackenzie, speaking as residents of Strathmore for a considerable time, spoke of the loss the church and the district sustained by the departure of Mr. and Mrs. Way, and at the same time interlarded their remarks by several humorous references to earlier days in the town.

Community singing, led by the orchestra, concluded an enjoyable evening.

Letter to the Editor

SCHOOL MATTERS

Editor, Strathmore Standard,

Dear Sir: In the Standard of February 25th, there appears a report describing the meeting of Strathmore School Board. I was very much surprised by reading same, as it seems very incorrect. Your reporter said three pupils were suspended from school for wilful disobedience, refusal to submit to punishment, and other offences. I, for one, would very much like to know about the wilful disobedience and other offences. The boys were sent home from school because of going outside the school grounds. Two of the boys took their punishment, but the third boy refused to take any punishment as he was not off the school grounds. When the principal was asked by one of the parents, how he did know how this boy was outside, he said, "Well I think I was standing down on the steps." Your reporter also said the Board unanimously decided to support the teachers. That also is incorrect, as no other than the chairman was heard to speak. The other members did not have a chance.

One of the parents was informed by the chairman that his boy could come to school if he would take his strapping, but as the boy was guilty of any offence the parent did not accept the term.

Yours for the truth,

A PARENT

(We have another letter from a parent dealing with the same matter, and covering the same ground, which we are not publishing. The report of the School Board meeting was taken from the Board minutes. In the recent correspondence to school matters, it should be stated that there was no doubt, on the part of the parties signing the petition, of referring on the honesty of any of the school pupils. No statements of this kind have been made in the Standard (Ed. Standard).

JUNIOR U.F.A. ORGANIZED

It is a pleasure to report the splendid gathering of the parents and children which took place at the Serviceberry school Friday evening for the purpose of organizing a Junior U.F.A.

Twelve young boys and girls happily joined.

Officers elected are: President, Harold Horricks; Vice-president, Chas. Horde; Secretary-treasurer, Lalla James; Supervisors, Mr. Watson, director of Serviceberry school, Mr. Dawson, president U.F.A.; Mrs. Horricks, president U.F.W.A.

Many thanks to Mr. Watson for his kind assistance and interest shown in making this organization a success. Mr. Horne, director of Junior U.F.A., made his appearance at a late hour, and delivered a most excellent address on young people's work. Mr. Horne, unfortunately, missed the train at Delamont. He then evidently thought of physical exercise, and, full of enthusiasm, he started out on foot, and after fifteen minutes of walking through the deep and newly fallen snow, he reached Strathmore. He was then escorted to Ardnode by Mr. Chas. Dawson, who fortunately happened to be in Strathmore.

Words cannot express the pleasure of this young man and the members, and all those who will be at an early convenience become members of the newly organized Junior U.F.A. be equally enthusiastic and follow in his foot steps.

The Junior U.F.A. are planning, if weather permits, to hold their first

Irricana

Mr. Billy McNeill, formerly merchant postmaster of the town of Kooma, and recently house of the T. W. Hill farm, has purchased the farm known as the tentier place, south-east of Irricana. Mr. and Mrs. McNeill will be a welcome asset to the district.

Mr. Henry Haag left on Friday morning's train for Plymouth to join his family. Mr. Haag will return to Alberta with his family in the course of a month or so.

Mrs. Fred Davis arrived from Calgary on Friday, and will reside on the farm until next fall. Mr. Davis has rented his house in Mount Royal, Calgary.

Double screened lump coal at \$5.75 per ton, and more coal at \$4.25 per ton is being rapidly disposed of by the Irricana Supply Stores. Several car loads are in transit.

Mr. and Mrs. Billy Wise returned from a jaunt to coast cities and Washington D.C.

Mr. W. Elliott secured a car load of prime logs from the Kooma district last week.

The concert on Friday evening which was conducted under the auspices of the Anglican Church Committee, terminated in one of the most successful ventures ever enjoyed in Irricana. The hall was very tastefully decorated, and cheerfully illuminated. Every available seat was in requisition, and standing room at a premium. The concert opened by a quartette by the Kooma Glee Club, which was much enjoyed by the audience, followed by a song done by Mrs. Marian Barham, which proved to be one of the hits of the entertainment, and a grand finale was the applause rendered by pretty little artists as she beautifully coaxed the hand-stepping artist Highland Flinn. Miss Estor Ling and Miss Katherine Burns, who appeared in a character song, received a hearty ovation from the audience, and the Irricana Minstrels kept the

capacity crowd in hysteria throughout their entire programme of comical songs and ditties. Mr. Ralph Stone, our genial hotel host, accompanying the dainties on the band. Mrs. Chas. Fryer, of Belscher, was in fine voice, and was well received, and cheerfully responded to several sermons. Miss Katherine Green, of Calgary, a tiny wee tot of six summers, was unquestionably the bright particular gem of the group of artists, and round after round of applause greeted the sunny-faced eleventh year old, who politely bowed her way from the stage. "When father was old," one of the many of the wee mites recitations, fairly held the good-natured crowd on tiptoe, and Katherine Green will long be remembered, who charmed and captivated the hearts of the largest gathering ever assembled in Irricana. Marjorie Scratch performed remarkably well too while Miss Dorcas Hall and Mr. E. Dean, both of Kooma, received a hearty handclap as they terminated an amusing dialogue. It is more gratifying to note the extreme good feeling and genuine comradery spirit which was both obvious and significant throughout the entire programme, thankfulness prominently enveloped the features of the tired but undaunted committee of the ladies, who organized the committee. Mrs. W. Elliott, Mrs. W. Naylor, Mrs. Percy Hallam, Mrs. Walter Cote, and others, who successfully accomplished an entertainment, unparalleled in the history of Irricana. More than \$20 was the gratifying result and will be placed in an excellent cause. After the concert Mr. Frank Leont auctioned off what was left unsold at the ladies' wear booth. Mr. Leont with his usual keen, ready witicism, held the purchasing in high revere, and the night and feminine fluffs realized good prices.

Miss Hilda Fryer, Mrs. Ralph Stone, and Mrs. T. W. Hull officiated at the piano. The Transcontinental Phone Connection. It will not be long before Alberta people, will be able to hold phone communication with New York, San Francisco, and other points in the United States. Within the next three months, connection will be established between the Alberta Government phone system and the Transcontinental phone system in the States, by means of three long distance lines which are to be brought to the southern border of the province by way of the Mountain States phone system in Montana. This will provide almost continuous wide phone connection for Alberta.

The agitation for an export tax of 42 cents on Canadian wheat going to the U.S.A. for milling and re-export purposes is receiving some support from Western dairies. If the Canadian millers want to nullify all the Canadian wheat, instead of having a percentage go to the U.S.A., they can pay a better price than the U.S.A. for it, and export tax would be unnecessary. As it stands at present, an export tax would only narrow the market for Canadian wheat.

The Holstein-Friesian News Bulletin states that Mr. G. H. Mrs. Oscar Montrose is reported as being very sick; a special nurse is in attendance.

The U.F.W.A. held a very interesting meeting last Thursday evening at the home of Mr. and Mrs. Jim Nelson, a goodly number being present. A number of the women's husbands were there, and spent the time playing cards, while the ladies were holding their business meeting, after which every one interested themselves in guessing contests, and an examination in geography. The winners were presented with appropriate prizes. Mrs. Nelson and Mrs. E. Peterson furnished a very beautiful and delicious lunch. We hope to have the opportunity of enjoying other evenings of similar entertainment.

Mr. William Bergquist was home from Calgary over the week end.

Mr. D. Phillips spent the week end with his father, Mr. C. A. Phillips, incidentally took the opportunity of exercising his franchise.

The C.S.E.T. boys held their second annual Father and Son banquet last Friday night, about forty boys, old and young were present. The table was arranged in the form of a big T, and last loaded down with good things to eat. A number of toasts and responses were given. Donald Gibson, toast master, gave a nicely prepared and well delivered address of welcome. Blair Field gave a toast to the Sunday School, closing with an appeal to everybody to attend Sunday School, and was responded to by Mr. Mead.

Mr. W. C. Eve and Mrs. R. L. Mr. S. J. Ewing, formerly of Irwin, is now located permanently in Calgary, as a member of the Grain Survey Board. He expects to hold a sale later in the spring. Mr. Ewing is a practical farmer, and should fill his present position very acceptably.

An anxious inquirer from Carseland wants to know who the "windjammer" was, referred to in this column last week. As we are not running a puzzle department, and don't want any crosswords, we are publishing the solution. It may be that we have the Scotch falling of "jigging" difficulty, but the desire to have a joke explained and dissected is looked upon as an English failing.

In his impetuous speech, he said, "I am not a woman, I am a man, and I think every one who helps him to win this election, and also, in doing so, the whole group, he thanked everyone who brought it about. Also the Canadian work continued and expanded in our community. It is well worth the serious consideration and support of the people."

With regard to the comment in the account of the Inter-School Spelling Contest, contained in last week's "Standard," we feel that the remark with regard to Mr. Dunn's pronunciation was unjustified. There was no word mispronounced, but Mr. Dunn quickly corrected himself. The contestants were at liberty to ask for any word, about which they were in doubt, in a sentence. The position undertaken by Mr. Dunn was a difficult one, and the Boy Valley Local of the Alberta Teachers' Alliance wishes Mr. Dunn to know that his services are appreciated.

The class standing will not be published again until Easter, but meanwhile the monthly report cards are being sent home for parents to examine. The February reports have been sent out before the end of this week.

Last Wednesday a number of pupils and the teacher from the Senior High School Room visited the printing office and spent a very interesting and instructive hour. The work of the various machines, and their almost more than human efficiency, were explained by the editor and his staff. Those who visited wish to thank Mr.

Macdonald for his kind invitation and for the great courtesy of himself and staff at a very busy hour, for the Standard was actually being printed while the visitors were present.

A meeting of the Boy Valley Local of the A.T.A., will be held at Glenora at 6 p.m. on Friday, March 6th. It is hoped that it will be possible for a large number of the members to be present.

The Local of the A.T.A. wishes to thank Mr. Shumpton, and all those who assisted in making the Spelling Tournament and Oratorical Contest a success.

An interesting event took place at Berta Vale School on Monday afternoon, February 23rd, the occasion being the presentation of a bronze medal to Marion Thompson, and a service badge to Hilda Galpin for disposing of the largest number of Xmas seals in aid of the Junior Red Cross. The bronze medal was one of three donated by Lieutenant Governor Brien to the three pupils in the province disposing of the largest number of seals. We congratulate both pupils on their success. Our membership for the Junior Red Cross now totals seventy-four.

The Fairplay Fireade Club spent a most enjoyable evening at the home of Mr. and Mrs. Jas. Martin on February 20th. One of the main features of the evening being a debate between the men, resolved that a truly cranky man is better than an untidy good natured wife. Mrs. Welshman, Mrs. Guerin and Mrs. Goodacre were judges, and gave the deciding in favor of the negative side. Lunch was served, after which a few games were enjoyed until the wee small hours of the morning.

Tudor

The Tudor drive, held by the ladies of the whist U.F.W.A. on the 22nd of February was a decided success, both from a social and financial standpoint.

These drives are great for bringing the young old boys, among whom we noticed Mr. Horton, who appeared in great form. Dan Kehoe was also there, and presided at a table occupied by Dr. Henderson, Mr. Jim Porterfield (diner a bear at Peddy), Bert Thornburn, Mr. Ruppe, Mr. McLean and Billy Clements. Following the card party was a delightful dance with music provided by Mrs. Myers and augmented by Joe McElch with selections on the "accordion". This instrument is second cousin to the pipes, and was much appreciated by the Scotch and Irish present, who favoured the company to an exhibition of a Scotch Outland Irish Jig. Mr. Long, of Rockyford, who had courage enough to take part in this ritual, had the misfortune to lose his partner, and had to be escorted to his seat in a state of collapse. We have heard it said that in these nations, the participants, before entering, go through a course of physical jinks, which gives them a great advantage over amateurs. The ladies appreciated the presence of our Rockyford friends who appeared perfectly at home at Tudor, and who, on their arrival, favoured the company with impromptu melodies. Come, state your merry lads and gentlemen. Mrs. Ralph Knight gained first prize, and was presented with an artistic champagne, and Miss Ruth Leonard seemed delighted with what she won—a chocolate bar. Mr. Thos. Sinit sat first in his class, and is very proud of the handsome Eversharp pencil. Another Scott came in for the cake of soap, and was delighted with its perfume.

Brown had the misfortune to identify and had some trouble to get that was a "lady". Mr. Katerbach was the first to be called, and he was a dandy for a handsome

The Maquerade Dance on Friday last was enjoyed by quite a large crowd. Mrs. Connor took first prize for ladies, dressed as a sunflower. Miss Edna Hilton was second, as a sweet pea. The prize was awarded to R. A. Lambert, as "Crowsfoot Puzze". While S. Griffiths took second as "Mr. A." Proceeds of the dance so far for the Community Hall Fund.

Don't forget the bachelors' ball on Friday, 12th. Ladies please bring refreshments.

Mr. R. Robertson and daughter, and Miss Isabel Malcolm, were visitors to Calgary over the week-end.

Mr. T. Walker, who was taken out of the city last week, is feeling much better, and will be able to again.

Rockyford

A hockey game was played Sunday between Drumheller and Rockyford. A good game ended in a tie for the victory by 5-3. In the junior game a Rosbuck team of boys, coached by the honours from the Rockyford boys, the score being 4-2. Considering the luckless weather, a good crowd attended, and they could see that Rockyford has a good hockey layout, the display on both games being very good.

A farewell party was held in the bank of Commerce street on Tuesday evening to Dr. and Mrs. M. E. Tiffin, a few of their intimate friends taking part. A public farewell will take place next Tuesday in the form of a dance and luncheon in the Masonic Hall. The public are cordially invited.

It is Dr. Tiffin's intention to take a course in postgraduate work in Toronto. The departure of Dr. and Mrs. Tiffin will be keenly felt, as they have been prominent in every movement for the progress and uplifting of the district.

A new kind of landscape, the hole-less buttonhole. Ask Bill Miller and Earl Browns.

Mrs. F. W. Gibson returned home from Calgary last Thursday, looking quite fit after her operation.

A surprise party was held on Wednesday, February 18th, at the home of Mrs. and Mrs. Ed. Ross, who are shortly leaving the district for Winnipeg. About twenty people sat down there that evening, and dancing and games were indulged in until midnight, when refreshments were served.

At 2:30, everyone having had a good time. Among those present were: Mr. and Mrs. G. Fraser and family, Mr. and Mrs. J. Dixon and family, Mr. and Mrs. L. Connors, Mr. and Mrs. R. Pool and family, Mr. and Mrs. Arthur Waddy, Miss Craig, Miss Leonsbury, Mrs. Morgan, Mr. and Mrs. Ed. Ross, Miss E. M. Ross, Mr. S. H. Shoemaker, Mr. Small and Mr. Jefferson.

Cheadle

O. Edwards, Ray Miller, and Grant Craig were Calgary visitors during the last week.

A daughter was born to Mr. and Mrs. W. Kilton on Tuesday, the 24th. Mother and baby are doing fine.

W. Scott, fire insurance inspector, was around to see the elevator this week.

Mrs. John McLean and Lydia were Calgary visitors for the week-end.

John McLean shipped a car of pigs and two cars of cattle on Thursday, February 26th.

The white drive that the ladies club was having on the 6th, has been postponed till March 12th.

R. Kays is reported being about over his sickness, which, at the beginning of last week, looked serious. He got polished by eating something while in Calgary getting treated for his arm.

Mr. and Mrs. Bickel spent the week-end in Calgary, also Mr. and Mrs. Geo. Bond.

Mr. English, B. and H. master of the C.P.R. from Medicine Hat, is in the village for a few hours on Friday, getting samples of the water which is used in the engines, to have them analysed.

AMENDMENTS TO ALBERTA LIQUOR ACT

Amendments to the Alberta Liquor Control Act were submitted to the Legislature during the past week. Among these amendments is one which provides that no license to sell beer will be issued to any club after April 26, 1925, and renewals to clubs already licensed. Another amendment will give the liquor board power to regulate hours of sale of beer in government liquor stores, hotels and clubs. Other important amendments are also made.

The U.F.W.A. meeting which was postponed last week on account of the weather, will take place at the home of Mrs. Benson on Thursday next.

Geo. Thurston, was elected as representative of division number 2 of M. D. Kenna, on Saturday.

The bachelors girls are returning the bachelors a return invitation to a dance on March 29th. It will be a confetti dance.

"The Stranger"

I am craving just a certain amount of space in your valuable paper. I am

impressed by two articles which have appeared in recent editions by R.L.P.,

showing my story (which has become somewhat biased and dull) by

speaking directly at our local beer parlor, and pointing to the aid of the

aid of the Stranger within our arms, who is being ruthlessly assailed by

R.L.P. in poem and phrase.

Perhaps I have exaggerated these two articles, but very even-tempered in

Rockyford. He may have had a

fool country in mind when he penned

so only and with no small amount of

grace "What is Heaven". There is

sometimes a doubt existing as to whether

for he speaks of foreign things, such as

a country, and people living in harmony

and people helping each other in trouble. A

typical error, perhaps he meant to

include "harmony" and "Community Spirit"

were only used as a misnomer to "accuse" his story. It

is quite evident, R.L.P., that you do

not realize the importance of harmony. Furthermore, you

have been badly misinformed if you had

visited in village in view. The absence of

these things, you see, is why we are a

village. I am surprised at you, R.L.P.,

with all your talents, splendid imagination

and literary gifts, trying to stir the torch

from the hand of the Stranger when he is

trying to lead us from the swamp of

darkness into the light of the sun and the

realms of thought and deed. It is he

who is trying to bring forth harmony

instead of discord, trying to promote

brotherly love, and which our Savior

did for, and after harmony and brotherly

love enters in, the community spirit follows. Heaven knows, we are

here or nowhere for us to accept, or

reject, and the Stranger is trying to

get us to accept that which is good and

reject that which is evil. He is making

no compromise with evil, and is coming

into the open, and he will fight as long

as there is truth to serve the Lord. He

is too broadminded, and would not

if he could, to combat the cumulative

vision of sixty centuries—our customs

of both savagery and civilization oppose

the dance a healthy method of

diversion, but he refuses to put his

finger on approved home brew, the hip

pocket flask, check-to-check, and suggestive

dancing.

Let us not be intolerant; this man

has his right to an opinion. At this

stage of the game no one will maintain

that true religion consists in preventing

other people enjoying their pleasures.

His big idea is to sweeten the environment

in which our young men and women

will grow up in grace.

Just a few moments diversion here, if

you please, to give Jack Gilliam some

advice, whom R.L.P. speaks of as

being severely reprimanded by the

Stranger for drinking here and during

on Sunday. Jack, I consider the

Stranger was perfectly justified in

every respect for reporting you for

drinking here. It not only brands you

as a plebeian, but a cheap skate as well.

Anyone outside of a farmer, or some

equally depressed person, who drinks

such cheap vulgar drink when he

has the power of anything better.

As for Dorothy Windham—she has

already shed better tears enough. R.L.P.

inform us that you are a pretty little

thing, and that is the case, you have

our sympathy. I take it for granted

you do not need any advice, and can

be depended upon to display your

warms to the very best advantage at

all times. We hope you grace our

I say, R.L.P., old chap, that two

such intelligent giants as you and I

are, a couple of consummate asses to

sit down "in the conflict of two elements

and split hairs". Life is too valuable

to be wasted on idle word mongering.

Life has become so intricately

interwoven into complexities that the

only salvation that I can see for us

is to go to the first principle, the

teaching of Christ. His sermon on the

mount. His last words in His disciples—

"Love ye one another", and half of our

world troubles will be solved.

I thank you.
